OBJECTIVE

I am a full stack web developer with a background in hospital financial counseling and cashiering. Skilled in HTML, CSS, SQL, NoSQL, and Excel, I earned a certificate from UT Austin's Coding Bootcamp. I am eager to find a position where my education, skills, drive for success, and my personable disposition will be an asset. My love for continuous learning plays a critical role in my accomplishments.

TECHNICAL SKILLS

Languages: JavaScript ES6, CSS3, HTML5, SQL, NoSQL

Applications: GitHub, MongoDB, MySQL, Excel

Tools: Express, Node.js, Compass, Bootstrap, Agile methodology, Sequelize, MYSQL Workbench

COMPETENCIES

Customer service | Complex problem solving | Leadership | Team oriented | Decision making
Communication | Organization | Prioritization of tasks | Active listening | Avid learner

EDUCATION

The University of Texas at Austin: The Coding Bootcamp (Remote, Dec 2022)

Certificate of completion

Full-stack flex web developer

The University of Texas at Tyler (Tyler, TX - May 2015)

Bachelor of Business Administration

Major: Business Management, Magna Cum Laude

Honor: The Outstanding BBA in Management Student of the Year
